Anticipation (Gimme that ketchup)

Submitted by Steve Beckstead

OK, so I'm going to show my age here. Remember the Carly Simon song, Anticipation? Remember the ketchup commercial where the little kids are waiting for the red tomato mixture to drop from the bottle on to their hamburger? Well, that is what is happening to me. Today I got up and started thinking about where I might drive just for fun today, glanced at the outside thermometer and it read 51 degrees. WHAT?! Ok, I fully agree we need the water and I'm dealing with the constant rain, but I am ready for some warm top down stuff.

So I thought I would look ahead for what might be coming soon. First on deck is our great Shunpike drive on June 6th. Don't forget to be at the Walgreen's on 126th and Redwood at 9:15am. Fun drive planned by my friend Gordy is always a good time. Bring your lunch or get something in Nephi. Then on to the Rat Fink car show which is a blast in Manti! Way to go, Big Daddy Roth!

The Summer picnic fun is coming up in July and location is now the Riverside Park in Morgan. This will be catered for the first time I remember since joining the club and I think it sounds GREAT! More details coming,

(continued on page 2)

Gimme that ketchup (continued from page 1)

but mark your calendars for July 11th at noon or so. (Don't forget your swim suits, they have a splash pad).

The highlight of my summer has to be the fabulous Banff trip planned by Mark and Susan Vaughn. Make sure you have your reservations all done for this and I'll bet everyone has. We'll be pulling out on the highway July 18th for a great trip full of zooming down great roads.

The Miata lunch in August looks to be a drive in date after a cruise on a Friday night in Tooele. I planned on some serious making out with my girl until I remembered the top will be down and I would get

more observers than the movie if I did that. So I'll just be satisfied with some popcorn and a diet Coke. Be there (might need bug repellent).

August 7th (or around there, some are leaving on different dates) brings us to the departure date for the Tuacahn adventure also set up by the Vaughns. I can't wait to see the Disney themed program that they are having on Saturday.

I think and hope that details on these things are later on in the newsletter. Keep a watch on Facebook and your email account for some Fast Fun quick things that might just come to mind this Summer. You never know when the bug for a quick drive might just pop up.

That will end the Summer, but not the fun, so stick with us. Cheers and Zoom on.

Shunpike Drive & Luncheon

By Gordon Nicholl

We will be leaving the Walgreen's parking lot at 12600 south Redwood Road at 9:30 a.m. We will be going down the west side of Utah Lake to Goshen. Gotta love that drive! Then through Goshen Canyon to Mona. South on the frontage road to Nephi. The luncheon will be in the Nephi City Park. Stop at a your favorite fast food spot in Nephi and bring the lunch to the park or bring your own it doesn't matter. The meeting will start at about 11:30. After lunch we will head east on 100 north in Nephi (U-132) to Manti where the Rat Fink convention will be going on. This is where the drive will end.

The Rat Fink show is always a lot of fun. There is a great car show all over the entire town and you can buy stuff there you can't find anywhere else at anytime. Really fun STUFF as George Carlin would have said! Loved that man! What a great sense of humor. I miss him. We will see you all at Walgreen's.

Hey Miata Clubbers

I would like to strongly encourage all members to take advantage of the Facebook Utah Miata Club page. I will say that I am not a fan of putting my whole life out there and Facebook is not perfect. However, it is by far the fastest and easiest way to get information out to the membership. It is also the easiest to edit if a correction needs to be made. Toni is great with the emails, but there is a chain of events that takes some time to navigate. Just sign up and set your privacy settings high. You don't actually ever need to post anything, just use it to read news and updates. Lastly, if you have Facebook, make sure you have been set up to see the Utah Miata Club page. I recently found a long time member of Facebook who was not a member of the club page as it is secret. Contact any officer and we'll hook you up with the membership gurus.

Club Summer Picnic by Mike Bailey

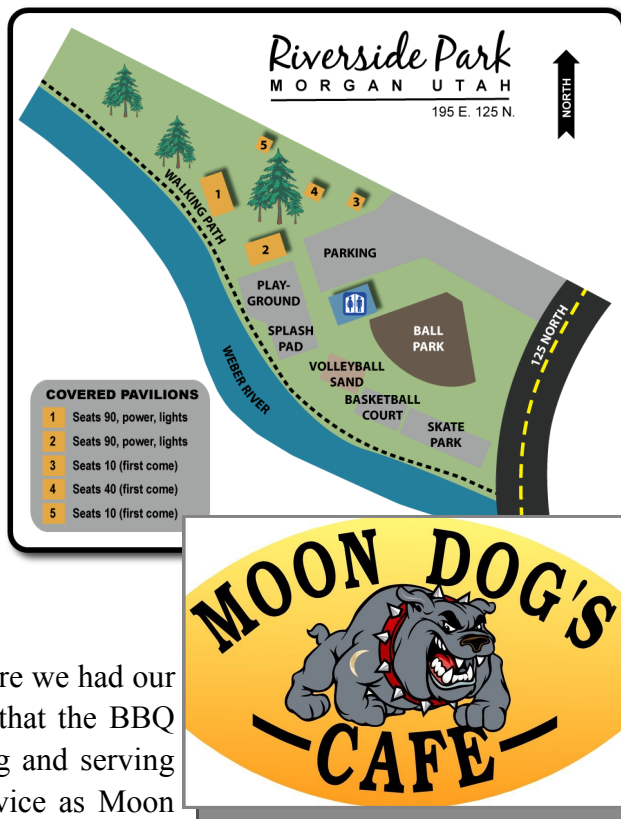

The annual **Utah Miata Club Summer Picnic** will be held on **Saturday, July 11, 2015**. The picnic and drive will be led by the Baileys. For those in the Salt Lake Valley we will meet at **10:00 a.m.** at the University Park Hotel parking lot (west side) located at 480 Wakara Way up by the University of Utah. Wakara Way is located east of Foothill Drive. We will drive up Emigration Canyon and then follow East Canyon up to Morgan and go to the **Riverside Park in Morgan City**, located at 195 E.125 North. We have a **Pavillion reserved from 12:00 Noon until 4:00 p.m.** We will be at the pavilion next to the walkway (#1) and *not* the one by the children's playground. There should be plenty of parking in the parking lot there. For members living up north you can just make your own way to Morgan City if you like.

The picnic will be hosted by **Moon Dogs of Layton**, where we had our February luncheon. If you were there you will remember that the BBQ food was excellent and they did a wonderful job of feeding and serving us. We will look forward to the same great food and service as Moon Dogs will be catering our luncheon.

Menu will include:

PULLED PORK SANDWICH, PULLED CHICKEN SANDWICH, BAKED BEANS. COLESLAW. MACARONI SALAD, CHIPS, COLD SODA POP & WATER. A Pot-luck item to go along with our BBQ lunch or a dessert is suggested for club members to bring, but not mandatory. This lunch will be paid for by the Utah Miata Club.

After lunch we will take a drive up through Northern Utah in the Huntsville area and around Trapper's Loop, and past Pineview Reservoir if everyone likes that idea. Then we can make our way home from there. **We need a head count** so we can plan on how many meals we will need to purchase. Please let Jim know preferably at the June luncheon if you will be attending the picnic in July so he can get a head count. After all, it is a Free Lunch! This will be lots of fun so we hope everyone can come.

YMCA

Your Miata Club Adventure (Y.M.C.A.) for 2015 is in the works. Mark and Susan Vaughn are planning the Miata Canadian Adventure scheduled for July 18-26, 2015. The trip is scheduled to take two days traveling to Canada, four days in Canada and then four days back to Salt Lake. Total estimated miles to be driven is 2,276.

Requirements for this trip:

1. A Miata
2. A need to Zoom
3. A current passport

The first night will be spent in Salmon, Idaho. The second night will be in Cranbrook, BC and then on to Banff, AB. From Banff we will go to Revelstoke, BC, down the Columbia River and will take a ferry across the river to Castlegar. The trip will take us back to Coeur d'Alene, McCall, and Ketchum, Idaho. Plan to be home on Sunday, July 26th.

The Canadian dollar is down so the exchange rate will be in our favor.

So far, eight couples have voiced an interest in the trip. Everyone is welcome so start making plans for Y.M.C.A. Please contact the Vaughns if you want to put some miles on your Miata and see some beautiful sites.

Hotel accommodations are in the works and will be published as available early next week.

As of the publishing of this newsletter, we have 40 Stateroom Cabins reserved for our July 2017 Viking River Cruise. The response has been overwhelming. All the French Balcony C and D cabins have been reserved. About half the cabins are with Utah Miata Club members and the other half are from members of 12 other Miata clubs in 12 different states. Some are family and friends of members that are not affiliated with a Miata club and don't want to miss this "trip of a lifetime." *We welcome everyone who wants to come.* **This 15 day European River Tour will be the second week of July 2017**, so we are 2 years and 1 month away from our departure time. Brent Jenson of Morris Murdock Travel is working on getting us some specific dates for the trip.

This cruise is specially priced at 2 FOR 1 Rates. It is a 2017 cruise for 2015 Pricing. The Deposit of \$500 per person is half the normal deposit required. If you are interested contact us and we will give you a **FREE DVD** of the cruise and email you links so you can view the ship, cabins, and itinerary. We have a **Reservation Form** that you can fill out with all the information that the travel agency needs to book your cabin. We will also email you a **Deck Plan** which lists all the rooms which are color coded and have pricing for each room. **Hurry and get your Rooms booked NOW**, as they are going fast and *almost half* of the Longship is already booked.

We are working with **Morris Murdock Travel in Salt Lake** and you can speak to our **Cruise Agent, Amber Lee Johanson** to book the cruise. Her phone number is **801-483-6314**. Or you can email her at ajohanson@mnorrismurdock.com. **The deposit is only \$500.00 per person (double occupancy/ 2 people per room).** Note: Cabin Stateroom prices listed are per person. Deposit is fully refundable (see details on this). Just pay your deposit and set some money aside each month towards payment of the cruise. We recommend Travel Insurance which will be available in several months from now (around October 2015) to protect your investment in case something comes up.

The word is out now to other Miata people across the country in many other Miata Clubs to join us and is also on the Miata.Net Forum for the Southwest Region. You can get all the information and Registration form, Deck Plan and Itinerary on the Net, so sign up while the best rooms are still available. Information on Flights and cost of that part will be available about 10-11 months from cruise date. We will also be getting some Pre and Post Hotel packages in conjunction with the airline for further discounts. More information on that to follow in a few months.

We have until October of this year, 2015 to book our cabins before Viking and the travel agency will release any un-booked rooms to the general public for sale. We will also have a 30 day advance window for our group to book cabins on this boat before this happens. Your money is held in an Escrow account and will be given to Viking sometime around October. You will be notified before this happens. As the Longship books up, You will receive ALL available discounts and promotions, cash back vouchers, etc. that are available by the cruise line and travel agency. Other discounts and benefits will be divided among all those who place a reservation for the cruise.

Miatas at Deer Valley, 2016

June 22-25, 2016

by Mike Bailey

Our event Miatas at Deer Valley, is progressing well. We are currently reviewing a contract with our alternate resort hotel, The Lodges at Deer Valley, and getting ready to approve it once specific details are worked out. We are calling our event the "Miata Mountain Getaway" with "Life Elevated" as a Slogan which is a play on a Utah phrase most of us are familiar with. Our logo is very colorful and descriptive of the area venue where we are hosting our event.

Our event date is locked in. It will be held the next to last weekend in June, 2016. The official date now for **Miatas in Utah VII event is June 22-25, 2016** (Wednesday thru Saturday for four nights, checking out Sunday the 26th). There are many, many scenic drives around the Park City/Deer Valley area of Summit County. We have tons of great, spectacular drives planned. We also will be planning a Photo Shoot with our Miatas with a fabulous mountain backdrop and also our "Show & Shine" Car Show. Historic Park City is only ten minutes drive down the mountain with fabulous stores and boutiques for shopping and eating and many sites to see.

Our host resort hotel venue; The Chateaux, is located at the top of Deer Valley Mountain next to Stein Eriksen Lodge, a sister property. We will have access to 137 Rooms at The Chateaux. We also have another Deer Valley property, The Lodges of Deer Valley signed up for an additional 30 rooms per day. This is enough accommodations for 274 Miata attendees currently. If we need more rooms, there are other available hotel properties and condos we can get for additional rooms, if needed. The Lodges are located further down the Deer Valley mountain at the base of Snow Park, where the Amphitheater is that features summer outdoor concerts. The ambience of this resort property is the same as it is at The Chateaux. Both properties feature fine dining restaurants, a store, and other amenities.

Room Accommodations: Our hotel rooms will be different than our usual "hotel" type rooms that we have used in the past at our other Miata events. The rooms for accommodations will feature lodging options of Hotel Rooms, One-Bedroom Suites as well as two and three bedrooms suites which can be combined to allow more couples to "share" suites that come complete with full size gourmet kitchens and living rooms with big screen TV's and full bathrooms. They also have decks on each room for fantastic view of the mountains and resort area. This allows "groups" of Miata people from our club as well as other clubs to "share" rooms together with separate bedrooms per each couple with the addition of a "suite" as mentioned above for about \$100. more for a party of 4-6, which means that splitting the cost is less than \$150 per night for 4-Star accommodations. Soon we will have a link to their websites posted to book our rooms.

(continues on page 11)

Miata Mountain Getaway (continued from page 10)

Registration Process: We are still working out other details such as meal costs, our Saturday evening Banquet Dinner and Program, and other costs. Once we have this information we will then be posting it on our club web site and have pages dedicated to this event. We will then have our Event Registration Form posted on-line and ready for attendees to fill out and send in. At that time we will also let everyone know when and how they can book their rooms. You can go online and check out the resort property and the rooms. www.the-chateaux.com and www.deervalley.com.

Keep posted each month for updates on Miatas in Utah VII, Miatas at Deer Valley. Committee members will soon be organizing details of the event in a couple months. If you want to be on the committee to plan this event contact Mike Bailey.

VANITY PLATE **BY MIKE BAILEY**

This month's personalized Vanity plate belongs to Mark and Susan Vaughn's Stormy Blue 3rd generation Miata. This is a beautiful Miata and Mark and Susan always take great care in keeping it very clean and shiny.

Total Lunar Eclipse in September

Last April, on short notice, a small group of us gathered, in the wee early morning hours, at the South Town Mall to view a total lunar eclipse. It was the third of four Total Lunar Eclipses referred to as the 2014-2015 Tetrad (4 in a row).

The next and fourth Total Lunar Eclipse will be on the evening of Sunday September 27th, 2015 (Salt Lake Time). The eclipse will be underway at 7:13 PM when the moon rises over the Salt Lake valley. The moon will be in totality from 8:11 PM to 9:23 PM (max at 8:47 PM). After totality the Umbra (the major shadow of the earth) will travel across the moon till 10:27 PM, when the shows is pretty much over, but the Penumbra will actually end at 11:22 PM. This is ideal viewing time, no 3:00 AM alarm clock; it's the weather that's unpredictable.

Check out this web site <http://www.timeanddate.com/eclipse/in/usa/salt-lake-city> for more details use the link at the bottom to check other eclipses or search the web for "total lunar eclipse".

I found this photo at <http://www.mnn.com/earth-matters/space/photos/8-incredible-images-of-lunar-eclipses/when-a-blood-moon-reigns>

Do we take a chance and schedule a star party, crash a party, or do we travel to West Wendover for brunch/dinner, stay overnight and go south of town for the dark sky? Let's talk at our next club meeting or at least to see if there's any interest in watching the blood moon together. We won't have another chance like this one (probably ever). The next SLC total lunar eclipses won't be till January 2018 and 2019. But they're early morning/midnight eclipses (probably cold and dreary).

See you June 6th for the shun pike drive.

Robert & Sharon Mechling

P.S. The Total Solar Eclipse of August 21, 2017 is coming. The club will travel north to see it in totality.

MIATAS OF THE MONTH BY MIKE BAILEY

This month for “Miatas of the Month” we feature Concept Miatas. There were lots of speculation over the past several years as to what the 4th Generation Miata would look like in many car magazines and auto forums, particularly Miata.Net. Featured here are some of those renditions.

I have featured other Miata Concept renditions and photos over the past three years in this newsletter with stories surrounding them. This has always been a fun topic to talk about in Miata circles and at events and shows. Very soon we will see the reality of what all the talk has been about over the years. You may like the new MX-5, or not. Only time will tell. You may have also wished or hoped that Mazda would have taken a different direction and incorporated some of the features of these concept cars into the new generation.

Miata Club Shirts & Promotional Items By Mike Bailey

I am going to be making some shirts for up-coming events. In the works are shirts for the following events that our club is sponsoring: Miata Canadian Adventure, Utah Miatas at Surf-N-Safari Event, Viking River Cruise and Miatas in Utah; Miatas at Deer Valley.

As mentioned last month on page 14 of the May UMC Newsletter, we have come up with a couple of our own logos for the Viking River Cruise and have also customized a Viking LongShip with our personal UMC look on a logo with an illustration of the LongShip. I have made up some proto-type T-Shirts to take out to the Zoomin' the Mountains of Tennessee (ZTMOET) event to give to some Miata people there that are registered for the 2017 Cruise. This will also be a chance for me and Donn to get to promote our events there to some 200-300 people back east. We plan to make some flyers up on both the Cruise as well as Miatas at Deer Valley and pass them out to the crowd. This is Donn's and my way of promoting our events. Morris Murdock Travel's VP of Marketing, Brent Jenson, also provided and sent each of us 200 DVD's of the cruise that we can hand out and use as a marketing tool to Miata people. We are very excited about this.

I would like to ask that all club members that are interested in a T-Shirt or Polo Shirt for these events please let me know and get on a list with your Name and shirt Size and we will make up one for you.

Susan Vaughn got with me to have a shirt designed for her Y.M.C.A. (Your Miata Canadian Adventure) event in July. The shirt design is in the making. We will have a T-Shirt printed on both sides with logo on front and Map on the back similar to what we did for the GWA and the GSWA. These shirts were very popular with everyone that went on these trips. We will also have a polo shirt made up also. If anyone wants a Long Sleeve-T or a Sweat Shirt, you can order one of those too. Just let Susan know when she passes the list around at the June Luncheon. I need your name and shirt size and if you want additional shirts (qty, style)

Surf-N-Safari Shirts: I have the permission of the SDMC (San Diego Miata Club) to use their logo on a custom shirt I plan to make for the UMC members to go to this event. It will be similar to what is described above for the YMCA shirts only with the S-N-S logo on it. We have a good contingency of club members going to this and I think the SDMC will be impressed with our version of their shirts. It reminds me of what the Bluebonnet Club from Texas did on creating their own version of shirt for our Moab event.

I am instituting a new way to sell and promote events with apparel. I am working with a company that will provide me with any type of apparel or promotional items from a coffee cup or water bottles to wall posters of your Miata with any of our current, past, present or future logos printed on them with no set-up costs, for the same cost that we have been paying for years. The best thing about this arrangement is that we can print one or 100 of the item. Instead of having to make items in bulk, with all the set up costs, we, or you, can order just one (1) item at a time. We will also be marketing this on our website and online and have our own "Café Press" type existence on our website. This will also make a small amount of money for the club. More will be explained on this later.

The club officers and directors has voted on the production of a special "ANNIVERSARY" Pin for the Utah Miata Club. This pin will have the official club logo on it. We want to make a pin which will honor all club members once they reach their "One Year", "Three Year", and "Five Year" anniversary of joining the club. The pin will be made of copper, silver, and gold metal for the 1, 3, & 5 year pins respectively. Each different pin will have the number designating the membership year.

We plan to actually give a member 3 pins once they have been with the club for five years. I know a lot of members are starting to collect Miata pins, so this will be nice to add to their personal collection.

We are also thinking about making a 10 year, 15 year, and 20 year anniversary pin next, to honor the long time members of the club. The pin will basically be the same and use the same die mold only not painted but be all copper, silver, or gold in the same format. They will be great collector's items for Utah Club Members. We think this is a good way to honor each member for their service in the club.

Notice on Club Applications & Waivers:

Jim Newson is in the process of organizing the Club Roster list and trying to find out when each member couple joined the club. This will also help give us (the Club Officers) the information we need to order the pins mentioned above. We need club members help on this issue! We have most members records on when they joined the club from 2007 and on. If you have been a member longer than since the year 2007 then please provide Jim with your information on month and year that you joined the club. We will also be asking this in our monthly meetings until we have all the information completed. For those that do NOT have a current Club Application and Waiver Form on file with the Club Secretary, please fill out a new application and waiver at the next meeting and give it to Jim or Margie. They will have copies of the new Application/Waiver at our luncheons. We will try and let you know if we need one from you. If you do not actively come out to the monthly luncheons or meetings, please download the application/waiver from web site and fill out and mail to Jim and Margie.

We want to have current contact information on file for each and every member.
