If you have not reserved your rooms and plan on attending, please contact Lou for information on the route and accommodations. Rooms are going fast.

Lou and Carol Lynn Vredeveld

Additional information

Solar Eclipse Viewing Option

Submitted by Susan Vaughn

August 2017

The UMC under the direction of Lou Vredevelde is planning a trip to view the solar eclipse in August (MATSE, August 20-26, 2017). Not all members of the club will be able to enjoy the trip he has planned so well. Mark and Susan Vaughn, Steve and Kathy Nielsen are some. So, the next best thing is to plan a short trip to Idaho and enjoy viewing the eclipse in Rexburg. We will have the opportunity to see the eclipse in totality.

We are driving up on the 19th and will have a couple of days in Pocatello and drive up to Rexburg the morning of the eclipse. We are planning to join the party in the Local Wal Mart parking lot. We will have access to food, drinks and bathroom facilities.

Everyone is welcome to join our little group. We have had reservations for a long time and the rooms are getting tight. You would need to talk with the hotels directly. Recently I saw rooms are available but are getting pricy. If you are planning to go book your room now! The drive could even be made the morning of the eclipse if you did not want to stay the night.

This is another opportunity to get your Miata out on the road for those who will not be traveling with the main group that Lou is taking. Keep ZOOMING.....

New for the event

MATTSE Event Shirts:

I will be making up some **MATTSE Event shirts** for this trip. Most likely a breathable Polo with the event logo on the front left chest. They will probably be 100% polyester shirts for the hot drive and will be cool for wearing. We will also have a T-Shirt, most likely black with the logo above on the front side and a Map of our itinerary on the back. All the shirts will be priced per our regular pricing; Polos at \$35.00 each and T-Shirts at \$15-18.00 each. Please order through Mike Bailey as soon as possible as we need to get these printed up in June before we head out for the Viking River Cruise. Any other shirts such as long sleeve T's or Sweatshirts are also available. Call or Email Mike at mike@mikebaileypprinting.com You can also call me with any questions at [801-597-1456](tel:801-597-1456). This will be an exciting trip and lots of fun. Order your commemorative shirts now! See images below of what will be on the shirt.
